A modern dining area featuring a long, light-colored wooden table with a natural grain finish. Four contemporary chairs with grey frames and light green upholstered seats are tucked under the table. A multi-tiered, warm-toned pendant light hangs centrally above the table. To the left, a large window with a white frame allows natural light into the room. The walls are a neutral, light beige color. In the background, a white partition wall separates the dining area from a kitchen. On the kitchen counter, a white water dispenser and a modern chrome faucet are visible. The floor is covered in dark wood-look laminate planks. The overall aesthetic is clean, bright, and minimalist.
